Doctor Horace J. Dean, Superintendent of the Prospect Avenue Church Sunday School, at Jersey City, and a warm friend of the late pastor, Rev. John J. Glendenning; resigned his position, on Sunday last.

J. C. Brigham, of Elizabeth, made the ARLINGTON, - NEW JERSEY, acquaintance of Chief of Police Whitney and Recorder Myers, of Bayonne, a few days ago. He went there to shoot robins ; shot twelve, and got arrested and fined \$120, or \$10 for each bird.

The heavy weights of Hoboken have organized a base ball nine, and challenged a Jersey City nine, the Jersey City team to weigh not less than 1,900 pounds, no one man among them to turn the scale at less than 200 pounds, and the losing party to pay for a dinner, with wine and

The residents of Oxford Furnace, Midd esex county, held a wake on the body of Prot. Finnan a few days ago. and during the proceedings the Profes sor, who had occupied his coffin for some thirty-six hours, arose and rightened all but two or three intimate friends, out of the house.

The work of opening, and widening the channel of the river at Passric, has been completed. It is now clear and unobstructed to the depth of six feet, and the width of fourty feet at low water, which will accomodate any craft that will be likely to sail up as tar athat, for some years to come.

Tuesday, Wednesday and Thursday, November 9, 10 and 11, have been assigned as the days for holding the homes than any other place in the vicinity of New Jersey Sabbath School Association, from Cortlands Street, and affords to merville, to which every Sabbath School in chants, clerks, mechanics, and salaried men in the Second Reformed Church, Somerthe State is desired to send representative of New York City, a repose from their daily workers as delegates. toil without encroaching upon their regular working hours.

Mr. W. H. Peck of Plainfield, relates an instance where on the 7th of last month, a drunken man drove a team into the woods near his house, where THE QUICK TRANSIT PROBLEM. they were left, and not discovered for sixteen days. During the time they had been harnessed to a cart, had had quite freely, and was driven home.

happened to a construction train, on the Valey Road, when about one mile west of Bound Brook. While standing on a side track the boiler sudden the surrounding country for many miles. ly exploded, instantly killing the engineer and two brakemen, and scalding the others so badly, that death soon ended their sufferings. In all thirty were injured; some of them so serious. To reach Arlington, we cross from Cortlandt the lands and real estate on which said unpaid ly that no hopes are entertained of or Desbrosses Street, and in ten minutes are assessed, or are a hen tot which taxes and astheir recovery.

169,056, of which 123,293 are in Newark, and 45,753 in the townships-an increase of 18,162 in the city, and of 8,-052 in the townships, from 1870. In the townships, East Orange ranks first in increase, followed by Montclair and West Orange; Milburn shows a slight decrease. The following are the complete returns: Fourth Ward, 6,216; Fifth Ward, 4,-929; Sixth Ward, 13,894; Seventh Ward, 8,141; Eighth Ward, 10,-342; Ninth Ward, 6,192; Tenth posing improvements in country places have 080; Twelfth Ward; 11.858; Thir teenth Ward, 15,690; Fourteenth Ward, 3,683; Fifteenth Ward, 6,347; Belle-East Orange, 6,497; Franklin, 1,556; Livingston, 1,229; Milburn, 1,557 Montelair, 4,034; Orange, First-Ward, 3,118; Second Ward, 3,150; Third Ward, 4,553; South Orange, 3,352; West Orange, 2;853.

Some years ago a colored gentleman in one of the Southern States was called upon, somewhat hastily, to deliver a warded by a rapid increase in the value of short address. As the audience had their property. It has been recently laid out patiently waited a long time for the in lots, with broad avenues, handsomely regular speaker, who had not appeared and the meeting being an important one, the impromptu speaker was in . formed that large words and elocution would create a great sensation, and he must be short. He delivered himselt as My Belubbed Bredren and Feller-Sit-

few remarks, an' dose remark an' dose obserwations shall be so constituted dat not one jot or one tittle ob dar ersemi nence shall exemplify dem from dar previous reversenesses!! Dat am de reason! Wharfor' am it dat de world am a conglomerated state ob dubble reaction, which resolves on its own axeltrees ebery twenty-tour years durin' de lunar months? Dats de reason ob de distraction; an' furder dan dat, de 'stronomers hab not discovered Brudder Pompey pass round de hat, to pay expenses ob dis yer meetin'.
